FIRE DESTROYS PART OF A SOLDIER'S HOME

Fire, starting from a brooder lamp, this morning at 10 o'clock completely destroyed the poultry plant of James Vellinga, veteran of the Utah cavalry, at 2857 Quincy avenue, where he resides with his wife and two small children. Mr. Vellinga is employed at the A. L. Scoville press. He did not know of his loss until informed this afternoon by the Standard.

The fire spread so quickly it was impossible to save any of the 150 or more fine chickens which Mr. Vellinga had purchased as a nucleus of his poultry business, and a large amount of feed also was consumed. There was no insurance.

The loss amounts to a disaster to the family, because Mr. Vellinga is a member of the volunteer national guard, expecting to be called to the colors at any time, and he and his wife had planned, in a patriotic and self-sacrificing spirit, to make the poultry plant earn a living for the family while he was serving in the national defense.

Albert W. Hadley, Captain W. E. Kneass, Captain J. Ray Ward and others, when informed of the soldier's misfortune, said they hoped to find a practical way of assisting the family in an acceptable manner. Captain Kneass, of whose troop Mr. Vellinga is a member, suggested he might be able to obtain the soldier's release from the guard because of his family responsibilities.

Mr. Vellinga was asked the direct question by a representative of the Standard whether financial assistance in restoring his poultry stock would be acceptable. "Ordinarily," he replied, "I would hesitate to accept aid, of course, but the poultry plant was to be the dependence of my family for a living during my absence in the army, and for the sake of the wife and children, I would feel grateful for a helping hand in case I am again called upon to serve my country."

At the Third Ward.—Judge C. C. Richards will deliver a lecture on conservation to the parents' department of the Third ward, Sunday at 11 a. m.

Robbery.—Surrounding circumstances indicating that his act was prompted by dire necessity rather than a criminal motive, a thief entered the home of J. F. Smith, 3262 Lincoln avenue, yesterday afternoon and stole therefrom a 100-pound sack of flour and a 100-pound sack of sugar. The theft was reported to the police department about 7:30 p. m. and Sergeant C. P. Fitzgerald, upon investigating, failed to find a clue that would lead to the capture of the party who stole the household necessities. He learned, however, that jewelry valued at several hundred dollars, four hundred pounds of flour and another sack of sugar that could have as easily been taken, had been left unmolested.

Guest Robbed.—Sam Gibson, a guest at the New Elgin rooming house, was robbed of \$17.50 last night, according to a report made to the police by the hotel proprietor.

Departure.—W. H. Ellis departed today over the Southern Pacific railroad for Corcan, Cal.

Going to Coast.—George W. McCune departed today for California, over the Salt Lake Route.

Stolen.—An Elgin watch valued at \$27.50 and \$120 in cash were stolen from the room of C. O. Nagle, at the National hotel last night, according to a report made to the police this morning.

BAKERY WORKERS TO GO ON STRIKE NEXT WEEK

Unless a demand for a nine-hour day and a raise from \$17 to \$19 a week is granted immediately, fifty-eight bakers of Ogden, members of the Bakery and Confectionery Workers' local No. 138 of the international union will strike next week.

The local officers are Gradius B. Schreyen, president; Joseph C. Van Rookhuyzen, secretary.

It is possible an agreement may be reached before the time of the strike, but the bakers declare their demands are modest and that they have fixed the lowest minimum living wage.

ELVIN WILKINSON TO GO ON MISSION

Elvin Wilkinson, son of Mr. and Mrs. Andrew Wilkinson, has been called to serve as a missionary for the Church of Jesus Christ of Latter-Day Saints in the southern states. He is expected to leave for Chattanooga, Tenn., headquarters of the mission, May 16.

Elder Wilkinson is one of the best known and most popular young men in the city, having been a basketball star at the Weber academy for two seasons and a football star at the Ogden high school. In addition to being prominent in field and track athletics and amateur baseball, he is a member of the Third ward of the North Weber stake and a committee of young men and young women of the ward are now planning a farewell concert and dancing party to be given in his honor on the night of May 9.
